

Does The Bible Really Say That?

3: "God Helps Those Who Help Themselves"

Jeremiah 17:5-8

"...He who trusts in himself is a fool..."

- "God helps those who help themselves" is found in.....
- Important passages to consider:
 - Isaiah 25:4
 - Proverbs 28:26
 - Jeremiah 17:5-8
- Jesus' teaching on "Blessings & Woes" (Luke 6:17-22)
- Why do we drift towards "God helps those who help themselves"?
- BUT what about....
 - 2 Thesalonians 3 or Proverbs 12:11 or 1 Corinthians 12 or Luke 19:11-27
- GHTWHT leads to:
- The root of "together" living:
 - Trinity (see John 17:21; Matthew 18:19-20)
 - Scripture's call (Philippians 2:4)
 - Jesus, Mary & John
- God's direct care in our lives
 - NOT a watchmaker (see Luke 12:6-7, Matthew 6:31-34)
- No self-help for salvation, either (Ephesians 2:8-9)
